

YOUTH IN SOCIAL ENTREPRENEURSHIP

The INSPIRE project is about to reach its ending but its results are here to stay as OER (Open Educational Resource); hoping to inspire even more young people to establish a sustainable Social Enterprise.

According to all evaluations from inside and external collaborators, trainers, young people, relevant partners, the project has achieved its main aims to a great extent.

It is not too late to visit our site and contact us: <https://inspireyouth.eu/>
